Inspirations Art Gallery

Artists **Sheila Ballantyne** and **George Hurst** have combined their artistic talents to present to you, an exquisite collection of art. Not only will you find in their gallery Sheila's recent original paintings and prints but also wood furniture creations by George. **The Cottage Life Collection** has been created from a desire to share their mutual values surrounding nature and our heritage.

The Cottage Life Collection's five series themes are:

Sunset Inspired Series – Inspired by colour, capturing many attributes of nature through the lens of a rainbow.

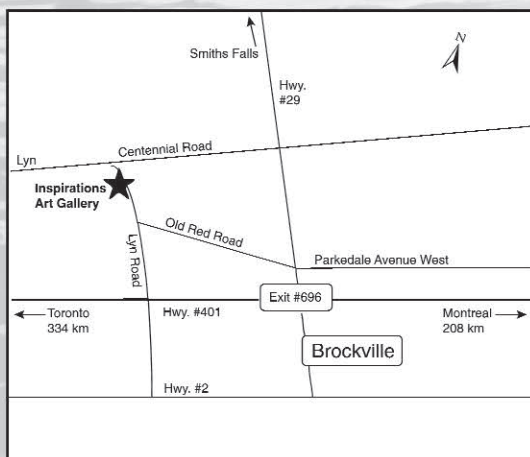

Lake Effects Series – Inspired from the lakes Sheila and George travel, capturing images that will evoke memories for many.

River Mystique Series – Inspired by the St. Lawrence River and its many stories of the past as history is handed down through generations.

Woodgrain Inspirations Series – Inspired by and utilizing wood's natural features to bring forward a one-of-a-kind piece of fine art.

Wave Series – Inspired by movement and brings together the soothing warmth and comfort as in the fluid motion of water.

Gallery visitors experience a rekindling of memories and leave with lasting impressions.
